Product in short

- No setup fee.
- Complete out-of-the-box but customizable mapping solution is included in price.
- Address import, hosting and administration interface inclusive.
- Each additional language means 25% on top of base costs per annum.

Product setup

- The complete setup and integration of BusinessMap24 Easy is in most cases done in 15-30 minutes.
- Support is included, but seldom required.

Prices are exclusive of VAT. All contracts run for 12 months and are paid up-front. A seven day fully functional trial is available at no charge.
